

Micro-Writing Assignment: *New Yorker* Caption Contest

For this micro-writing assignment, you will write captions for these cartoons that connect to your book. Choose at least four different cartoons, and write the caption under the picture. (Use a text box for ease).

- Try to include these on one or two pages. Do not print only one per page.
- If you want to use other *New Yorker* cartoons, look online at <http://www.newyorker.com/humor/caption>
